ARRIVAL INSTRUCTIONS

Google Maps will give you a fairly accurate travel time from your start point to Fox River. When you know this, make sure you send Jed a quick text (mobile number below) so he'll know to be close by when you arrive.

Follow the Google Maps directions to get to Fox River. When you get to the Fox River mouth you'll see a turn off to a car park on the left hand side of the road before the bridge (or the right hand side after the bridge if coming from the South). The yellow AA sign at the main road entrance to this pull in says TOURIST CAVES. Pull in to this car park and Jed will be there to greet you, and show you the way up to The Hexagon.
