## ONCE YOU GET THERE

Just head up the driveway to the main house where Sarah and Angus will greet you and show you to the campsite.

You'll be able to drive your car and park at the top of a small hill just above the campsite. You'll have a short walk down the hill - and once at the campsite, they'll show you where everything is, how everything works - and then leave you in peace to pour a cool drink and relax for the evening.

## HAVE FUN!
