DIRECTIONS

From Auckland (approx 2 hours drive):

- Head North to Whangarei on SH 1. Stay on SH 1 bypassing Whangarei town.
- You will see a turnoff on your right to the Tutukaka Coast, you can also see a golf course on the right there. Take that turnoff and follow the road for about 1km then straight through a small roundabout, another couple of hundred metres straight through the next roundabout.
- You are now leaving a Mobil petrol station on your left and heading out of the eastern suburb of Tikipunga. You will see a big sign directing you towards Tutukaka, Matapouri and Ngunguru.
- Driving time from there to Ngunguru is approximately 25 minutes.
- This is a lovely drive past orchards and stone walled paddocks. You may want to stock up on fresh fruit at Huanui Orchard a couple of kms down the road on your left.
- The next settlement you will get to is Ngunguru. Drive along the estuary past the shop and over the second one lane bridge. Immediately after the bridge is a turnoff to your left. This is Waiotoi Road. You are almost there!
- You go straight down Waiotoi Road, this will turn into a gravel road after about 1.5km. Continue on the gravel road, passing a one lane bridge, then the road will fork. Stay on the bottom road!
- Continue over another one lane bridge until you come to the end of the Council Maintenance sign and a house with a wooden fence straight head. Our private road leads you up the hill and past that house. You take the second drive on your left, you will see our sign Maunga Iti, continue up the drive to the yellow house and you have arrived.
