

THE HEXAGON

Print this handy info sheet and the Google Maps directions for your travel to The Hexagon.

ADDRESS

5626 State Highway 6, Fox River, Buller

Note: This is northern Fox River near Punakaiki, not the Fox River near Fox Glacier further south!

ARRIVAL INSTRUCTIONS

Google Maps will give you a fairly accurate travel time from your start point to Fox River/Woodpecker Bay.

Note that you won't have any mobile reception in that area so it's best to print out a copy of the Google Maps directions. You'll meet Jed at a small green 'A' shape kiosk at 5626 SH 6. This is set under a tree in a small layby area on the beach side of the road, 950m North of the Fox River bridge. He'll show you where to park your car and escort you up to the Hexagon.

Make sure you email or call Jed with your arrival time prior to your stay (the day before is best), so he'll know to be close by when you arrive.
